This SydGen Express daughter posts an unbelievable combined EPD profile for CED, BW, WW, YW and \$B that only 3 other females in the entire breed can match. She is the ultimate combination of phenotype, calving-ease and performance. Thirteen individual EPDs in the Top 10% of the breed including Top 1% for WW, YW, RADG, CW, \$W, \$F and \$B. Top 2% for the breed for YH and MH, Top 10% for Marb, RE, MW and \$QG. By the way, did I mention that she's gorgeous! We will offer one-half interest in this once in a lifetime heifer on March 23! We will also offer a 100% ownership in a flush mate heifer and a one-half interest in a flush mate spring yearling bull at the sale.

Be sure to check out this three-fourths sister in blood to CHF 1403 Forever Lady 1708. They share the same sire and the same cow family line. The donor dam of 1713, CHF Forever Lady Eve 0801 is one of the solid rocks our program is built on. 1713 posts an extremely impressive EPD profile including Top 1% for WW, YW, YH, CW and \$B. Top 2% for Re, Fat and \$F. Top 10% for RADG, HP, \$W and \$YG. You absolutely can't go wrong with this Rampage daughter!

This heifer is a flush mate to CHF 3784 Rita 1706. She is 1/2 of a frame score smaller with a more feminine build than her "made for performance" sister. While she is a little different from her sister, she is one great heifer! She posts 13 performance EPDs in the Top 15% of the breed including Top 1% for \$B, \$F and YW. Top 2% for WW, RADG and CW. Top 3% for \$W. Top 10% for YH, Re, \$G and \$QG, Top 15% for MH and Marb. These Express sired heifers are extremely rare, particularly on our side of the Mississippi River. You can only get them from Sydenstricker Genetics and Cardinal Hill Farms. Come see us on March 23 and be one of the first to own a son or daughter of SydGen Express!

**CHF 1420 Liberty Belle 1620**  
Reg. No. 18565810 • Birth Date: 01/15/2016

| +8  | +1.1 | +56 | +104 | +1.23 | +13 | +13.3 | +11 | +38  | +52 | +5.9 | +7.7 | -.030 |

This two-year-old SydGen Conversion daughter posts a remarkable EPD profile which includes 23 of the 25 measured EPDs in the Top 45% of the breed or better. Her dam is one of the two original "Liberty Belle's" we produced at Cardinal Hill Farms. They have been the most prolific and profitable of any cow line we have ever had. Extreme good looks combined with unequaled multi-trait performance make this heifer a future donor for sure. She is due to calve in early spring to EXAR Stud.
